

THE 7

*Actual car specifications may vary from the picture shown above. Details for the options available, please speak to your authorized BMW dealer.

The next level of visual journey and entertainment experience. Turn your rear seat entertainment experience into an immersive in-car cinema moments. Enjoy the 31.3" BMW Theatre Screen conveniently controlled via the Touch Command displays in the doors. Accompanied with Bowers & Wilkins Diamond surround sound system features a 1,965 watt output with 35 speakers and outstanding studio-quality sound for all seats in the vehicle.

Impressive driving dynamics with a greater comfort, agility and stability. The Integral Active Steering as a standard on the 7 series, boost manoeuvrability and agility at lower speeds while improving stability at higher speeds. Precise driving characteristics and optimum control thanks to the Adaptive 2-axle air suspension. A never ending comfort driving experience makes every journey enjoyable.

Sit back and enjoy: Executive Lounge Seating offers you as a rear passenger a comfortable resting position behind the front passenger seat. A generous sense of space with the Sky Lounge panoramic glass sunroof extends the comfortable experience of space up to the sky and opens up unique views, thanks to LED-based light design, you can enjoy a captivating atmosphere. Luxurious seatings and plenty of legroom will take you into your own personal executive lounge.

THE i7.
